01 / THE ARTIST

MORE THAN A DJ.

Jersey The DJ is a celebrity DJ, host and event curator whose work connects nightlife culture with live entertainment across Washington, DC, Maryland, Virginia and Atlanta.

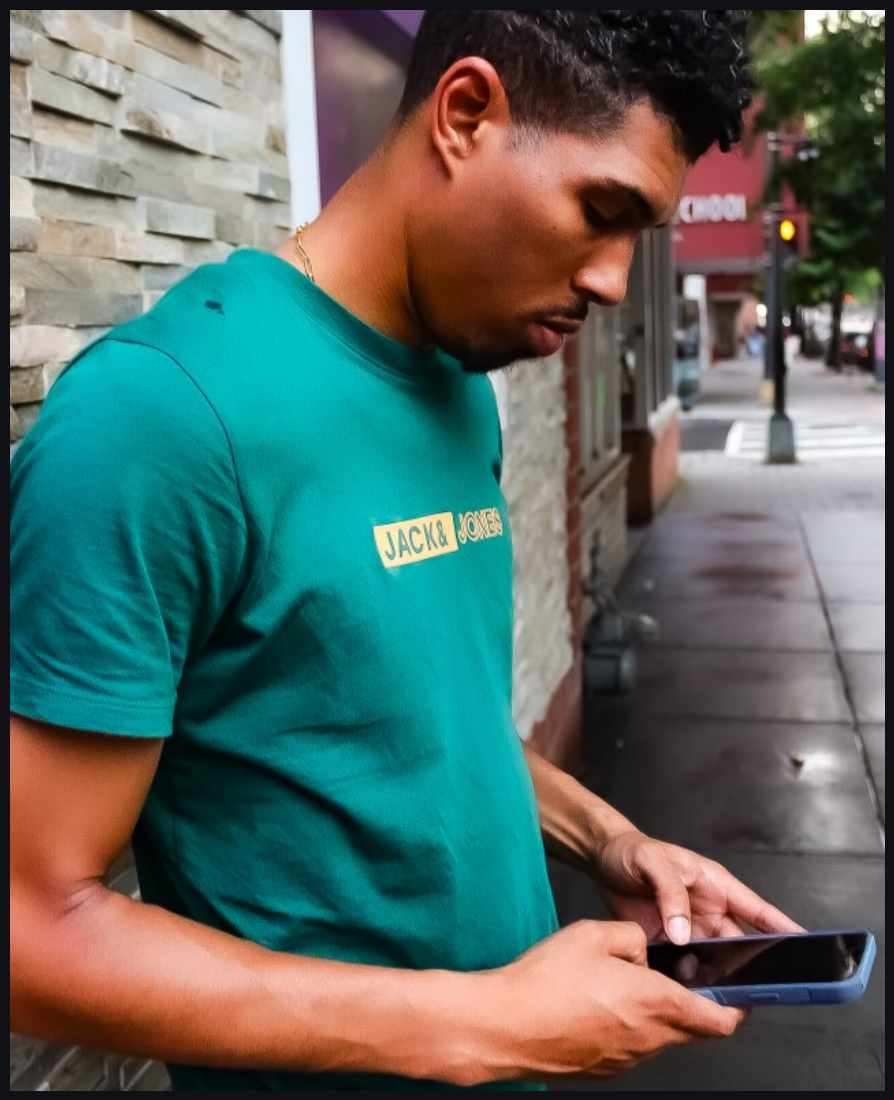

Known for commanding the room both behind the decks and on the microphone, Jersey brings an adaptable, high-energy approach to club residencies, artist performances and special events.

His work spans artist support, touring environments, premium nightlife and event promotion—bringing music, audience engagement and a recognizable personality into one experience.
